RE-EVALUATION: JANUARY 2028 BI-ANNUALLY

PURPOSE

The purpose of this policy is to inform all personnel and members of the public of the procedures for reporting, receiving, investigating, and resolving misconduct complaints regarding licensed peace officers employed by the Fulda Police Department. The provisions of this policy are applicable to the investigation and disposition of allegations of administrative misconduct. This policy does not apply to criminal investigations.

POLICY

It is the policy of the Fulda Police Department to accept and to fairly and impartially investigate all complaints of misconduct to determine the validity of allegations; and to impose any corrective action that may be justified in a timely and consistent manner.

DEFINITIONS

Administrative Investigation: means an internal investigation conducted in response to a complaint with the goal of determining whether a peace officer engaged in misconduct.

- discharge.

Exonerated: means a fair preponderance of the evidence established that either:

- the peace officer named in the complaint was not involved in the alleged misconduct,

Member: means all voluntary and compensated personnel of the agency.

PROCEDURE

ACCEPTANCE AND FILING OF COMPLAINTS

Complaint forms must be made available to members of the public through agency personnel, at designated public facilities, and online. Complaints may be received in person, by telephone, in writing, or via the internet. A complainant may remain anonymous but should be advised that remaining anonymous may affect the investigation of the complaint. A complainant may be accompanied by an attorney or other representative at the time a complaint is filed or at any other stage of the process. Personnel must provide assistance to individuals who express the desire to lodge a complaint. The complainant must be advised of the procedures for submitting the complaint and be provided with a copy of their submitted complaint. The complainant should be asked to verify and attest that their complaint is complete and accurate to the best of their knowledge by signing the complaint form. If the complainant elects not to sign, this fact shall be documented and the complaint processed according to department policy. The CLEO will forward a copy of the written complaint to the

respondent only after it is determined that the complaint does not allege a criminal violation. A CLEO or Receiving Authority may delegate the duties and responsibilities required of a CLEO by this policy to an appropriate designee(s).

Any complaint made against a chief of police must initially be made to the city administrator, manager, or mayor. Any complaint made against a sheriff must initially be made to the county attorney, the county administrator, or the board of county commissioners. The city administrator, manager, mayor, county attorney, county administrator, or board of county commissioners must refer investigations of alleged misconduct against a CLEO to a neutral, external investigative entity such as another law enforcement agency or a private investigative firm/organization. The external investigative entity shall not have a discernible conflict of interest.

INVESTIGATION OF A COMPLAINT

Upon receipt of the complaint, the CLEO must make an initial determination as to whether or not the facts alleged require an administrative investigation. The CLEO's determination needs to be based on current agency policies and MN Administrative Rule 6700.1600. If the CLEO decides that an investigation is not required, the disposition of the complaint must be cleared as "unfounded," "not sustained," or "exonerated." The complainant and the respondent will both be notified of this decision and the basis for the determination. If the complainant supplies additional information within thirty (30) days of that initial determination, the CLEO may re-review the complaint and choose to reverse the previous decision and order an administrative investigation.

If the CLEO determines an administrative investigation is required, an appropriate designee will be assigned to investigate the complaint. When the CLEO believes an external investigation is appropriate or when the CLEO is the subject of the complaint, the investigation will be assigned to a neutral, external investigative entity that has no discernible conflict of interest.

The complaint investigator must inform the complainant of his or her name, business phone number, and the status of the complaint as soon as possible after being assigned the investigation. The investigator must thoroughly investigate all allegations contained in the complaint and any other potential misconduct discovered in the course of the investigation. If the investigation reveals potential misconduct by another agency member, the investigator must report that fact to the CLEO or, in the case of a complaint against a CLEO, the appropriate city administrator, manager, mayor, county attorney, county administrator, or board of county commissioners. At the completion of the administrative investigation, the investigator shall prepare a report organized in the following manner:

- **Allegations.** The "allegations" section of the report should be an itemized summary of the acts of misconduct alleged in the complaint. The summary must also include all/any rules, procedures, orders, statutes, or constitutional provisions that would be violated if the allegations were to be sustained.
- **Investigation.** The "investigation" section of the report should be a chronological summary of the investigation and include all pertinent facts obtained through

interviews with the complainant, accused agency personnel, and all available witnesses. Written statements, descriptions, analysis of any physical evidence, and all other relevant information must be included in this section.

- **Conclusions.** The “conclusions” section of the report should detail the investigator’s findings and conclusions as to whether any misconduct occurred. If misconduct did occur, the report should state which provisions were violated and the underlying reasons for the investigator’s findings and conclusions.

All agency personnel must cooperate with administrative investigations. When the respondent is a licensed peace officer, the investigation must comply with the requirements of MN Statute 626.89, the [officer’s] collective bargaining agreement, and any other applicable laws, administrative rules, or policies. The investigation must be completed within thirty (30) days of the filing of the complaint unless the CLEO or Receiving Authority determines there is good cause to grant an extension. The complainant and respondent must be informed of any extension given to the investigative process.

REVIEW AND DISPOSITION

Upon completion of the investigation, the investigator must submit the report, case file, and all investigative notes to the CLEO or Receiving Authority. The CLEO or Receiving Authority may make a request for additional investigative work or make one or more of the following determinations regarding the complaint:

- unfounded,
- exonerated,
- not sustained,
- sustained, and/or
- policy failure.

The CLEO or Receiving Authority may postpone making a decision until any related criminal charges are resolved. If a determination is postponed, the complainant and respondent must be informed of the decision.

If the decision is “unfounded,” “exonerated,” “not sustained,” or “policy failure” the CLEO or Receiving Authority must notify the complainant and the respondent of the disposition as soon as practical. If the complaint is “sustained” the CLEO or Receiving Authority will:

- issue findings of fact including a summary of the acts constituting misconduct and the specific statutes, policies, regulations, and/or procedures violated,
- impose an appropriate remedial plan and/or disciplinary action, and
- advise the complainant of any public information regarding the disposition.

Prior to the implementation of any remedial and/or disciplinary action, the respondent must be provided with a copy of the findings of fact. The CLEO, Receiving Authority, and/or designee must review the findings of fact with the respondent and explain the reasons for the remedial and/or disciplinary action. When a “sustained” disposition is finalized, the respondent may appeal the disposition pursuant to the rules and law governing the accused

member's employment.

An administrative complaint investigation may be re-opened by the CLEO or Receiving Authority at any time if substantial new evidence is discovered concerning the complaint.

MAINTENANCE AND DISCLOSURE OF DATA

The public disclosure of any data connected to an investigative complaint process created or received by the agency in connection with this policy and procedure is governed by the provisions of the MN Government Data Practices Act. All data collected, created, received, or maintained by the agency in connection with this policy must be retained in accordance with the agency's "Record Retention Schedule." Likewise, the placement of the disposition report or other data related to the complaint investigation in an employee's personnel file must be governed by the agency's personnel policy. The access to data collected, created, received, or maintained in connection with this policy may only be authorized by the CLEO, the "Responsible Authority," the "Minnesota Government Data Practices Act," or by a valid court order.

POST BOARD REPORTING REQUIREMENTS

According to MN Administrative Rule 6700.1610, a licensed peace officer must self-report any Standards of Conduct violations to the POST Board. The rule also states that an unlicensed person with knowledge of peace officer misconduct constituting grounds for action under MN Statute, chapter 14, or MN Administrative Rule 6700.1600, may report the violation to the Board.

According to Administrative Rule 6700.1615, subpart 2, when a CLEO confirms that a peace officer employed by the agency has violated a board-required policy or the Standards of Conduct, the CLEO must report the violation to the POST Board in a timely manner.

MN Statute 626.8457, subdivision 3, requires CLEOs to report to the POST Board any confirmed allegations of misconduct by a peace officer of their agency. CLEOs must report the incident to the board as soon as a determination has been made that a violation occurred. CLEOs must update the information submitted to the board within 30 days after the final disposition of a complaint or investigation has been issued. Law enforcement agencies and political subdivisions are prohibited from entering into a confidentiality agreement that would prevent disclosure of the data identified in MN Statute 626.8457, subdivision 3, paragraph (b) to the POST Board. Any such confidentiality agreement is void as to the requirements of this section.

MN Statute 626.8457, subdivision 4, requires CLEOs to cooperate with the POST Board after receiving written notification from the board that it is investigating an allegation of misconduct within its regulatory authority. Cooperation includes providing an individual peace officer's public and private data related to the allegation(s) of misconduct when requested by the board.

The Fulda Police Department has adopted Posts Model Policy
Revision approved by the POST Board on July 24, 2025.

Creating the Line-up. When using a line-up, [officers] should follow the basic guidelines described in this policy.

- Live line-ups shall be conducted using a blind administrator.
- Ensure that all persons in the line-up are numbered consecutively and are referred to only by number.
- Line-ups should, minimally, consist of six individuals - the suspect and five fillers.
- Fillers should be reasonably similar in age, height, weight, and general appearance and be of the same sex and race, in accordance with the witness's description of the offender.
- Avoid the use of fillers who so closely resemble the suspect that a person familiar with the suspect might find it difficult to distinguish the suspect from the fillers.
- Create a consistent appearance between the suspect and the fillers with respect to any unique or unusual feature (e.g., scars, tattoos, facial hair) used to describe the perpetrator by artificially adding or concealing that feature on the fillers.
- If there is more than one suspect, include only one in each line-up.
- Place the suspect in different positions in each line-up for each witness.

Conducting the Line-up. The primary investigating [officer] is responsible for ensuring the procedures described herein are followed.

- Scheduling the line-up on a date and at a time that is convenient for all concerned parties, to include the prosecuting attorney, defense counsel, and any witnesses.
- Ensuring compliance with any legal requirements for transfer of the subject to the line-up location if the individual is incarcerated at a detention center.
- Making arrangements to have persons act as fillers.
- That the witness was informed the suspect may or may not be in the line-up prior to the live line-up.
- Ensuring that the suspect's right to counsel is scrupulously honored and that he or she is provided with counsel if requested. Obtaining proper documentation of any waiver of the suspect's right to counsel.
- Allowing counsel representing the suspect sufficient time to confer with his or her client prior to the line-up and to observe the manner in which the line-up is conducted.
- Only the suspect's attorney may be present for a line-up.
- Witnesses should not be permitted to see or be shown the suspects or their photos prior to the line-up.

SHOW-UPS

Conducting a Show-up. The use of show-ups should be avoided whenever possible. The use of a line-up or photo array procedure is preferred. However, when circumstances require the prompt presentation of a suspect to a witness, the following guidelines shall be followed to minimize potential suggestiveness and increase reliability.
